

Sweetest Unicorn

CIT

CIT's long tradition of producing outstanding special shape gold coins reached a new peak in 2017 with the release of the fascinating Golden Sand Dollar, Sea Turtle, Laughing Buddha, Golden Dolphin, Pirate Skull and Swan Egg.

Tying up the year's gold shapes is the adorable Sweetest Unicorn. Struck from the common 0.5 grams of gold, CIT utilized Big Gold Minting® technology to push the diameter to 13.92 mm.
